

"Once a child comes through our doors, we already know the unimaginable things that have happened. And while we cannot change what has happened to them, we can certainly change what happens next. The greatest gift we can provide to them on their road to recovery is to help rebuild their shattered lives, so they can grow up to be happy, healthy, whole adults."

- Executive Director, Monica Benoit-Beatty

OUR MISSION

To provide a safe place to report child abuse, reduce the emotional trauma for children and non-offending family members, and extend professional services that protect the integrity of an investigation.

What does it take? It takes **95 Child Protection Team Members** to stop child abuse in Williamson County.

In 2017, our amazing volunteers donated more than **1,400 hours of direct service** to our Center and even more in various community engagement events throughout the county, and countless handmade quilts, blankets, stuffed animals and endless baked goodies!

We couldn't do what we do without our volunteers!

Williamson County Children's Advocacy Center

20/20 VISION REPORT 1997 – 2017

512.943.3701 | 1811 SE Inner Loop, Georgetown, TX 78626 | www.wilcoCAC.org

In 2017, we partnered with Williamson County Emergency Medical Services to produce a first responders training video to help professionals recognize the signs of child abuse, and we produced our first public service announcement, available on our website: www.wccac.org.
